BUBBLE UP YOUR HAPPINESS!

ABOUT US

Welcome to ANC Group Ltd, a first-class beverage solutions provider located in two energetic cities, Istanbul and Izmir in Turkey. At ANC, we focus on producing among the best non-alcoholic drinks in the world that not only satisfy the thirst and the taste buds but are also innovative in every sense of the word as far as beverage production is concerned. We are owner of the modern manufacturing facility near Izmir port to meet quality assurance and timely delivery standards while providing unequalled satisfaction with every product we launch.

Bobalicious Bubble Tea is a beverage that can be classified as a refreshing one that adds a twist to the drinking experience. Created to give a feeling of entertainment and recharge drinks, with a fun design on each flavour and the taste to make every one happy for every sip.

An excellent beverage for consumers who want to try something exciting in bubble tea, it can be enjoyed anytime during the day, even during parties or at home. This drink is specially prepared to give you an enjoyable taste that you will want to savour in your mouth.

Seize the opportunity to take Bobalicious Bubble Tea with a non-traditional approach and improve your beverage selection with a product offering that is entirely different from others. Savour a custom-built cup of delight that will put a smile on your face every time.
